AN OPEN LETTER TO ALL THOSE INVOLVED IN SCOUTING & GUIDING IN SOLIHULL

Can you believe that it is now 9 months since the last show and we are already starting to talk and plan for the next one in November 2010.

Our intention is to continue in producing an absolutely fantastic show, which will give a great gang show experience to all cast and crew. There will however be some significant changes in the management team over the next few months and we will keep you informed of these.

Firstly, Dal Lardner has decided that, after many years of building and co-ordinating scenery, he will stand down from this position. Dal has worked hard on the building of our sets, often starting at 7am to help construct innovative and workable scenes. We thank him for this considerable effort. Dal will however continue in his involvement as the Gang Show treasurer.

Secondly, both Andy Moore and Rosemary Williams have decided to not do gang show anymore. Both Andy and Rosemary have been involved in costume for the last 5 shows, and many of us owe a lot to them for this involvement. We would like to thank them for their contribution.

This does now leaves us with openings in both of these areas. We need to build a **new scenery manufacture** and **wardrobe team** so if you are interested in either of these or want more information, please contact one of the committee or email newpos@solihullgangshow.org.uk.

We also have a date for you. On Wed, 28th October 2009, there will be our next Gang Show Reunion. Please put this date in your diary and let us know if you are interested by emailing reunion@solihullgangshow.org.uk. All present and past gang members are welcome and it will be a chance to catch up with friends and watch the dvd's again.

Regards

Ian Simon
