

FELLOWSHIP NEWSLETTER - AUGUST 2009 - NO. 99

Our July meeting was a talk by Caroline Atkins on her career and experiences as a Pharmacist. She was extremely knowledgeable and caught most of us out with a quiz to which we knew very few answers! It was rather obvious that in a lot of cases the Pharmacist is able to advise rather more than the doctor! It is understandable if anyone found some of the topics covered by Caroline were a 'little too close for comfort' or felt she was perhaps rather flippant in her comments but I am sure she did not for one moment mean to upset anyone and was trying to keep the topic light hearted in order not to cause offence.

The next meeting is on Monday, September 14th. The talk is entitled 'Samaritan's Purse' and will be given by Alison Exton.

November 9th

'Music in Motion' - a return of the popular group with an audience participation sing a longa! This will be followed by a fish and chip supper - the cost of which will be £4.50 per person. Barbara would like names and monies at the September meeting please.

January 11th 2010

John Cheshire and his son Joe will be giving a presentation on their trip to Uganda which took place in April 2009. This was a very different experience for them and their talk will include slides of the people they met and the work they undertook on this project.

March 8th

A talk with music by Mr J Smith entitled 'World of Musicals from 1940' - I am sure we will all know the tunes and enjoy a trip down memory lane - even if a few of us were still in our prams!

I think everyone will know by now of the sad passing of Ron Armstrong. He and Jean have been involved in Scouting for many years and Ron will be sadly missed. His funeral took place on the 17th August and our thoughts and love are for Jean and her family at this sad time.

I am pleased to report that Doris Turner is well on the way to recovery after her recent hip operation. Carry on the good work Doris!

Hope to see you all on Monday, 14th September at County HQ at 7.30 pm.
